[redacted] which is under consideration by U. S. Attorney's Office, Southern District of New York, relative to presentation to a Federal Grand Jury.

 trip insurance records for the entire months of August and

 at West Side Terminal and LaGuardia Field, New York; Los

 that trip insurance sold over the counter is not available.  
 He stated that variations of each name were searched. He  
 said these records failed to disclose trip insurance having

VERIFICATION OF [redacted] PRESENCE IN LAS VEGAS IN AUGUST, 1959 THROUGH AIRLINES AND INSURANCE COMPANIES

b6  
b7C

[redacted] of ticket sales in United Airlines, 80 East 42nd Street, New York City, advised on May 21, 1962, that only TWA and United Airlines flew direct from New York City to Las Vegas, Nevada in 1959.

He advised that three airlines offer indirect service to Las Vegas via Los Angeles:

TWA

American

United Airlines

NY 58-1232

He stated it was possible to fly TWA, American or United to San Francisco and TWA back to Las Vegas, but this would be a roundabout way of arriving in Las Vegas.

He pointed out that any number of combinations would be possible traveling New York City to Las Vegas by way of Chicago, Illinois. These combinations he stated would be complex and definite combinations and times would have to be obtained from the official airlines guide which is published monthly in Chicago, Illinois.

[redacted] American Airlines, 633 3rd Avenue, New York City, on April 11, 1962, advised that American only kept reservation cards and manifests for 90 days after which they were destroyed. He also advised that ticket coupons maintained by the auditing division of American Airlines for the year 1959 were not available.

[redacted] TWA, 630 5th Avenue, New York City, advised that TWA destroys all manifests and reservation cards after 90 days. Auditing records and flight coupons maintained by the Kansas City office of TWA are destroyed after two years and are not available for the year 1959.

[redacted] b6  
b7C  
United Airlines, 80 East 42nd Street, New York City, advised that United Airlines destroys all manifests and reservation cards after 90 days. For other records that might be maintained by United he suggested checking with [redacted] for United Airlines, O'Hare Field, Chicago, Illinois.

NY 58-1232

The following investigation was conducted by the Chicago Office:

[redacted]  
United Airlines, 1200 Algonquin Road, Mount Prospect Illinois advised SA CHARLES E. PRICE on April 13, 1962, that flight coupons are maintained for two years only and they were not available for the year 1959.

b6  
b7c

[redacted]  
Airport Sales, continental insurance Company, Idlewild Airport, Long Island, advised on April 11, 1962, that a check of his records on insurance policies written over the counter and through machines at Idlewild and La Guardia for August, 1959, under [redacted] name was negative.

[redacted] Fidelity and Casualty Company, 141 Livingston Street, Brooklyn, New York, advised that his company maintains no records on trip insurance policies for August, 1959. He checked his records for annual policies for August, 1959, and could find no record of a policy issued to [redacted]

New York, advised that he was employed as a mover by Fehsal's Express Trucking Company, 50 South Main Street, Pearl River, New York, in 1959. He recalls working on a move from [redacted]

[redacted] New York, to [redacted] New York. While he can not recall [redacted] by name, he remembers taking part in a move from [redacted]

[redacted] to a new building at [redacted]. He remembers that they left [redacted] in the moving truck early in the morning and that the party being moved and his wife and two children left in their personal automobile. When the moving truck reached [redacted] the man being moved was already there. They had the elevators reserved for 11:00 a.m. in the morning, but since other movers were ahead of them, they had to wait in the truck.

[redacted] worked on the move from the truck to the elevator and did not go upstairs into the apartment. He can not specifically recall how long the man being moved stayed at [redacted] [redacted] the day of the move. He recalls that the move went on into the afternoon until about 3:00 p.m.

[redacted] New York, advised that he seemed to recall taking part in a move with his father from [redacted] New York, to a new building in [redacted] New York, when both he and his father were working in Fehsal's Trucking Company. He vaguely recalls two children being present, but can not remember more specifically the names or identities of the persons present during the move.

b6

[redacted] pointed out that if this move was a "weight move", the party being moved would have had to sign the bill before the truck was unloaded. This would have been about 11:00 a.m. in the morning since the elevator was reserved for that time. If the move was a move to be paid for by the hour, the bill would have been signed at the end of the move, which would have been some time in the afternoon. [redacted] can not remember what type of move the move in question was.

On 6/15/62, [redacted] Credit  
Department, TWA, 1735 Baltimore, Kansas City, Mo., advised  
SA JAMES P. HORTON that it is necessary to have the name of  
the company who is the subscriber for a charge account or the  
account number before TWA can locate a credit record.  
[redacted] advised that a review of his credit records does not reveal the  
names of [redacted] ROY COHN, [redacted] or  
[redacted]

[redacted] further advised that all tickets, including  
flight coupons, have been destroyed by his company for the  
year 1959 due to a CAB retention period of only two years for  
retaining tickets and flight coupons. [redacted] advised that  
a review of his files under United Dye and Chemical Corporation

## FEDERAL BUREAU OF INVESTIGATION

Date 6/22/62

[redacted] New York City, furnished the following information under oath. He was advised that he did not have to make any information available and that any information that he might furnish, could be used against him in a court of law. [redacted] was also advised that he had the right to consult an attorney.

b6  
b7C

[redacted] stated that he was well aware of his rights in these matters and would furnish information freely. He advised that on August 16, 1959, he received a phone call from ALLEN K. SWANN. He believes that SWANN was calling from out of town, probably from Denver, Colorado. [redacted] was in New York City. SWANN told [redacted] that he wanted to see him and talk about some legal advice [redacted] had given him in 1955 and 1956 concerning the sale of stock. SWANN told [redacted] that he was concerned with a matter then before the Federal Grand Jury in New York City. [redacted] said that he again talked to SWANN on the telephone on August 16, 1959, and [redacted] recalls that he did some research in his files concerning matters he had talked to SWANN about in 1955 and 1956.

b6  
b7C

[redacted] said that SWANN had first been referred to him by another attorney in New York City. He seems to recall that this attorney was [redacted] of the law firm of [redacted] who now have an office at [redacted] in New York City. This was in the late Spring of 1955. At that time [redacted] gave SWANN an oral opinion on a hypothetical case SWANN had presented him. One of these situations concerned the status of stock received in a merger by one or more persons who might be regarded as a group for purposes of determining whether they were in control of the corporation under the Securities Act of 1933. Some five or six months after this first meeting, SWANN again came to [redacted] office and [redacted] gave him additional advice. [redacted] said that although he knew SWANN was an attorney representing [redacted] and PASTERNAK, [redacted] did not know, nor had he ever met either [redacted] or PASTERNAK. He pointed out that SWANN was talking in terms of hypothetical

situations as was the usual case when one attorney was consulting another attorney without the clients being directly involved. [redacted] also stated that he knew that SWANN was also a participant in some of [redacted] and PASTERNAK's ventures.

b6  
b7C

[redacted] stated that in September, 1955, he mailed SWANN a memorandum concerning the point upon which he had furnished SWANN oral opinions. This memorandum is presently in [redacted] possession and he feels that he cannot release it unless he gets the consent of PASTERNAK, [redacted], and SWANN.

[redacted] stated that in his early meetings with SWANN in 1955, he was not aware of activities of SWANN, [redacted], or PASTERNAK in the United Dye and Chemical Corporation (UDY). It was not until the Spring of 1956 that [redacted] became aware of the group's interest in UDY. In the Spring of 1956, the Securities and Exchange Commission (SEC) was conducting an investigation of Sapphire Petroleum and the activities of SWANN, PASTERNAK, [redacted] and others regarding Sapphire. The law firm of [redacted] represented SWANN before the SEC in this matter. SWANN was in New York City several times during this period and [redacted] saw him several times. In about May, 1956, [redacted] firm became aware that the SEC was looking into the activities of SWANN and his group with respect to UDY. [redacted] firm furnished the SEC with certain materials they had obtained from SWANN pertaining to the activities of SWANN, [redacted] and PASTERNAK. This matter in 1956 had nothing to do with a merger problem and it was not until August, 1956 that [redacted] became aware that [redacted]

b6  
b7C

[redacted] pointed out that it was not until recently that he knew that the merger being questioned by the Government in the UDY case took place in May, 1956. He learned this recently from conversations he had with Assistant United States Attorney DONALD CONN, Southern District of New York. The conversations [redacted] had with SWANN in September, 1955 concerned themselves with the Garnak Drilling Company. In this connection, [redacted] discussed the status of mergers with SWANN in a hypothetical fashion. [redacted] pointed out that by 1956 he received the impression that for purposes of the Securities Act of 1933, [redacted] and PASTERNAK would be considered as

b7C

acting as a group and so cautioned SWANN, still not connecting the matter with the UDY Corporation. [redacted] explained that the legal question involved was twofold; one, was there a group for purposes of control within the terms of the Securities Act of 1933, and two, did the group in fact control. He gave opinions on both points to SWANN and cautioned SWANN that if his dealings were with [redacted] and PASTERNAK, it is likely that he would be considered as part of a group for purposes of the Act. This would require registration with the SEC before stock could be sold.

b6  
b7C

On August 19, 1959, SWANN visited [redacted] in [redacted] office in New York City. He said that he had decided to talk to an Assistant United States Attorney in the Southern District of New York. [redacted] said he does not recall now that SWANN mentioned the name of [redacted] at that time, but he feels reasonably certain that SWANN did. [redacted] said he did not know [redacted] at that time and had not heard of his name before this. SWANN also gave [redacted] the impression that SWANN then believed that the Government was not really interested in him and that perhaps if he testified about the advice that [redacted] had given him, among other things, it would serve to keep him, [redacted] and PASTERNAK off of any indictment that might be returned. At this meeting on August 19, 1959, [redacted] said [redacted]

b6  
b7C

[redacted] SWANN wanted [redacted] to go with him to tell the Assistant United States Attorney about the opinions he had earlier given to SWANN. SWANN wanted [redacted] to act as his attorney.

b3  
b6  
b7C

On August 20, 1959, [redacted] met with SWANN and [redacted] office in the United States Court House. They talked for about 20 minutes. [redacted] said they did not discuss [redacted] but talked about the oral opinions he had given SWANN. [redacted]

b3  
b6  
b7C

[redacted] said that according to his records, he had a meeting with [redacted] and SWANN after [redacted]. Later, [redacted] received a phone call from [redacted] and it was either in this phone call or in the meeting [redacted] that [redacted]

NY 58-1232

[redacted]

he does not know [redacted] and knows of no role he might have played in this matter. [redacted] said he knows ROY COHN only because of a business dealing he had with him in the past. [redacted] had represented certain debenture holders of Hathaway Instruments who were not satisfied with the arrangements the Lionel Corporation had made when Lionel took over Hathaway. ROY COHN called in about 30 people in a conference and COHN, representing Lionel, and the others sat around a conference table discussing the various interests involved. [redacted] said this is the only contact he has ever had with ROY COHN and he knows of no role that COHN might have played in the 1935 Grand Jury proceedings concerning UDY.

b6  
b7C

On August 19, 1959, after [redacted] had talked to SWANN, [redacted] went to see WILLIAM MORAN in charge of enforcement at the SEC to try to ascertain, if he properly could, if SWANN was involved in their investigation and to see if the SEC had any views concerning the legal questions SWANN and [redacted] had discussed concerning the sale of the stock of a merged corporation.

[redacted] pointed out that when SWANN first came to see him on August 19, 1959, he immediately asked for \$1,000.00 from SWANN before he would discuss any of SWANN's legal problems with him. This \$1,000.00 SWANN gave to [redacted] by check. [redacted] does not recall if this was SWANN's personal check or a check of SWANN, [redacted] and PASTERNAK. It is his best recollection that it was SWANN's check. [redacted] said that he felt this payment was necessary since he had not been paid for prior legal services he had given to SWANN, PASTERNAK, and [redacted]. He said that in 1958 his firm had to sue SWANN, PASTERNAK, and [redacted] in Denver for legal services due the firm. These services were rendered in 1955 and 1956 for SWANN, [redacted] and PASTERNAK. [redacted] said that he has a memorandum which sets forth the details of the services his firm performed and for which they sued in Denver. [redacted] said that he did not feel he could release this memorandum to the Government unless he obtained an agreement from SWANN, [redacted] and PASTERNAK to do so. The suit in Denver was for \$5,000.00 and a lesser sum was received in settlement. This sum was about \$2500.00, according to [redacted]

b6  
b7C

[redacted] stated that looking back at the events in 1959, he recalled that he then had the definite impression that SWANN knew that [redacted] did not then know, nor does he now know, how SWANN could have known this.

[redacted] said that he did not want to furnish a signed statement [redacted]

[redacted] stated that his home in [redacted] was robbed on March 26, 1961, of various items including about \$30,000 worth of stock. He said he wrote a letter to the insurance company to obtain payment for these stolen items and that later he believes he placed the value on the stolen property, between \$50,000 and \$75,000. [redacted] stated that he made available to Assistant United States Attorney GERALD WALPIN the letter that he had sent to the insurance company concerning his lost articles.

Lieutenant [redacted] Third Squad, Nassau County Police Department, 214 Hillside Avenue, Williston Park, New York, advised that the following information is contained in Detective Division Case Number 3-797-1961 On March 26, 1961, at 9:50 PM, [redacted] New York, telephone number- PI 7-8510, reported that his residence had been burglarized between the hours of 5:30 PM on March 25, 1961, and 9:00 PM on March 26, 1961. Lieutenant [redacted] stated that [redacted] left his residence with his wife and children at 5:30 PM on Saturday, March 25, 1961, for the purpose of going to Brooklyn, New York, to see [redacted] and his family then returned to their residence at [redacted] New York, at 9:00 PM on March 26, 1961 and discovered that their home had been burglarized. The residence is a two story brick frame split level home which faces west on the east side of [redacted]. Entry to the residence by the perpetrator or perpetrators of the burglary was made by apparently lifting the sliding doors which are located in the dining room and face east. These doors were lifted slightly off the track that they run upon and in so doing, the doors become unlocked. It appeared that the exit from the [redacted] residence after the burglary was committed was also made by way of the sliding doors located in the dining room. Lieutenant [redacted] stated that no latent fingerprints were obtained and no suspects developed to date. This case was the subject of Nassau County Alarm Number 9781 which was sent at 1:54 on March 28, 1961. Lieutenant [redacted] stated an immediate canvass of the neighborhood where [redacted] resides, resulted in interviews with the following persons: [redacted] New York;

[redacted], New York; [redacted]  
 [redacted] Searington, New York;  
 [redacted] New York; [redacted]  
 [redacted] New York. These interviews were all negative as Lieutenant [redacted] stated that this burglary is still a pending case with the Third Squad of the Nassau County Police Department. Lieutenant [redacted] made available the list of items stolen from the [redacted] residence, but no values were listed.

[redacted] owner of Wallace-Zorn Photography Studio, 648 North Martel Avenue, telephonically advised that he does not have any records which would indicate the identity of persons in photograph that was taken on September 15, 1959 at the Cocoanut Grove Night Club nor any record of person who paid for photograph.

b6  
b7c

[redacted] stated that the girls who take the photographs work on a strictly cash basis and they do not request names.

[redacted] stated that the girl who probably took the photograph in question is no longer employed by his studio and he had no idea as to her present whereabouts nor could he furnish any information which might assist in locating her.

[redacted] Ambassador  
Hotel, 3400 Wilshire Boulevard, advised that the registration cards for the hotel are filed in alphabetical order only and without knowing the persons name, the only way to determine the occupants of bungalow 130-H prior to or subsequent to September 15, 1959, would be to review all of the 1959 hotel registration cards. [redacted] pointed out that this project would take between four and five days to complete since it would involve reviewing each of the registration cards to determine which room or bungalow they were assigned at the time they registered at the hotel.

b6  
b7c

[redacted] stated that the arrival sheet of the hotel has been destroyed for the year 1959. [redacted] stated that there was no other type of records available at the hotel which would identify persons who occupied bungalow 103-H during the pertinent period.

[redacted] of the Avis Rent-A-Car, 1207 West Third Street, advised that all of the 1959 car rental contracts were in storage in the Hollywood office at the present time. [redacted] pointed out that he would not be able to make a search of these records until June 23, 1962, since he had to conduct an audit in Pasadena, California, on June 22, 1962.

b6  
b7C

[redacted] was requested to examine the car rental contracts for the period August 19 to 25, 1959, to locate a possible rental of a car to the following below listed persons:

[redacted]

On June 25, 1962, [redacted] telephonically advised that he had made a search of the car rental contracts for their offices located at the International Airport and the Ambassador Hotel for the period August 17 to 26, 1959, and that he was unable to locate any car rental contracts for the above listed persons.

[redacted] pointed out that to be able to locate a car rental contract you actually need the vehicle or contract number and, if possible, to know the date or year the particular car was rented. The name alone is very difficult to locate since it means a review of the entire records.

NEVADA GAMBLING INDUSTRY

A source of our Las Vegas Office has advised that Las Vegas gamblers are greatly concerned over the extreme pressure being applied by the Federal Government on the Nevada gambling industry.

According to our source, these gamblers identified Mr. Herbert J. Miller, Jr., as the head of the Criminal Division, Department of Justice, and the person in charge of all the investigations directed at the Nevada gambling industry. It was indicated that an approach had been made to Mr. Miller to determine whether he would "trade Las Vegas" for "Roy Cohn." According to our informant, Mr. Miller flatly rejected this approach by these gamblers.

Roy Cohn, mentioned above, undoubtedly is the individual who was chief counsel for the late Senator McCarthy's investigative committee. Roy Cohn and [redacted] in New York City are the subjects of an investigation presently being conducted by this Bureau under the Federal Bribery Statutes.

We learned from our Las Vegas Office on July 12, 1962, of a discussion had between [REDACTED]

b7D

[REDACTED] was discussing with [REDACTED] the extreme pressure being applied by the Federal Government at the present time on the Nevada gambling industry. [REDACTED] during this discussion, said, "you know I'm going to tell you something. The guy who's the head of the Criminal Division in the Department of Justice is a guy named Miller. Miller is right under Kennedy. He is in charge of all these investigations. Now this is just between you and me and nobody else. Miller was contacted to determine if he would be willing to trade Las Vegas for Roy Cohn and Miller said 'absolutely no.'"

b7D

The above appears to be a clear indication the hoodlum element would trade Roy Cohn, former chief counsel for the late Senator McCarthy's Senate Committee and who is presently under investigation with [REDACTED] in New York City for violation of the Federal Bribery Statutes, or anyone else, if such action would relieve the investigative pressure presently being applied to the Nevada gambling industry.

[redacted] advised that he is a Captain with American Airlines and during the summer of 1959 he was employed by the same company as a First Officer on a Boeing 707 jet flight between New York and Los Angeles.

b6  
b7c

On the Boeing 707, the entrance to the aircraft is forward of the wing and the passenger compartments are all over, or aft of the wing. When entering the aircraft, the pilots turn left and go into the pilot's compartment and the cockpit and all the passengers turn right and go to the seating area. During the summer of 1959, Mr. QUESADA was the head of FAA and he insisted that all the crew be present in the cockpit at all times and as a result the flight crews on the jet aircraft had little or no contact with any of the passengers. The only time he had any contact with the passengers was when he went aft to the rest room which was located forward of the passengers compartment. Occasionally he met one of the male passengers there, but the meeting was actually a passing in the corridor.

After viewing a photograph of [redacted] he stated that he was unable to recall [redacted] at all and did not recall that [redacted] was ever a passenger on any of his flights. He stated that [redacted] may have flown as a passenger often and he would not have known about it except through chance.

This is to advise of the action taken by Supervisor A. C. Larson of the General Investigative Division upon receipt of New York teletype of 7/26/62, which indicated that George Sokolsky was concerned over the Bureau's investigation of this matter. Result of contact by Wick with Sokolsky concerning this matter is also set forth.

The New York Office arranged an appointment for [REDACTED] to be interviewed on 7/26/62. On that date the New York Office advised by teletype that [REDACTED] attorney contacted the New York Office and stated that he did not think it advisable for [REDACTED] to be interviewed without the presence of his attorney. Shortly thereafter [REDACTED] contacted the New York Office and indicated that he had discussed this matter with George Sokolsky and Roy Cohn who had expressed concern over this investigation.

In view of the above, Supervisor Larson contacted Mr. DeLoach's office upon receipt of this teletype concerning George Sokolsky and discussed the matter with Supervisor Ben Fulton. After discussing the contents of the New York teletype, Supervisor Larson pointed out that a note was being prepared as to the background of this case for the Director's information. Inquiry was made as to the Bureau's

relations with Sokolsky. Their views as to the appropriate handling of the Sokolsky interest were asked. It was pointed out that consideration was being given to recommending that Sokolsky be contacted by someone from Mr. DeLoach's office.

Fulton was unable to assist in this matter. After consulting Mr. Wick he stated that Wick had discussed the matter with the New York Office telephonically and felt the allegations made by [redacted] as to Sokolsky's interest in this matter were baseless. He further advised that relations with Sokolsky are such that if he had an interest in this matter or if he, Sokolsky, disagreed with the manner in which the Bureau is handling the investigation he would consult the Bureau before taking any action. Fulton stated it was not felt that a recommendation to contact Sokolsky was appropriate.

The incoming teletype from the New York Office dated 7/26/62 expressing [redacted] views and stating that [redacted] had talked to George Sokolsky and he was obviously greatly concerned, was immediately sent forward with a note for the Director's attention. The note attached to the wire identified this case and furnished brief background concerning the matter. It was also pointed out that there has been no indication as to how Sokolsky is involved in this matter and the reason for his interest in it at this time was unknown.

b6  
b7C

*These facts are all wrong - 5/31*  
On 7/27/62, teletype from the New York Office was sent forward with a note for the Director's information indicating that the New York Office had stated that upon the conclusion of the interview of [redacted], he [redacted] sent a letter to Inspector DeLoach at the Bureau setting forth [redacted]'s contacts with various Las Vegas people and others reputed to be engaged in hoodlum activities and that this letter was sent to Mr. DeLoach on the basis of advice received from George Sokolsky. The letter had not been received in Mr. DeLoach's office on the 27th, and still has not been received as of the morning of the 28th.

#### INTERVIEW WITH SOKOLSKY:

George Sokolsky was contacted at his Summer residence in Otis, Mass., by Mr. Wick on the afternoon of 7/27/62, at which time Sokolsky advised that he was disturbed in connection with the investigation of this case. He also advised that he believed that this investigation is becoming a harassment to Cohn, [redacted] and others. He said that while [redacted] many improper questions were asked by an assistant from the Department in Washington. He thought this was wrong.

Memorandum to Mr. McGrath  
RE: [redacted] ET AL.

b6  
b7C

Mr. Sokolsky said that he talked with Lou Nichols about the advisability of writing in a column, blasting the Department on the impropriety of questions asked in the grand jury. Nichols had advised against this action. Mr. Sokolsky said he did not intend to do anything until he had talked further with the Bureau, but he did feel the FBI was being used and if we were forced to continue this line of investigation the FBI could well get the reputation of persecuting people and he did not want this to happen. Sokolsky was told that the FBI was only carrying out the orders of the United States Attorney in New York who is in personal touch with the Attorney General. Sokolsky said that he would hold off writing any column until he had thoroughly discussed the matter with Mr. DeLoach.

b6  
b7C

Pursuant to the request of the U. S. Attorney (USA) to interview [redacted] an appointment was made with [redacted] to conduct the interview on 7/26/62. On that date [redacted] attorney called the New York Office and advised that he felt it was advisable that [redacted] be interviewed in the presence of his attorney. It was explained to his attorney that [redacted] had every right to be represented by an attorney and that at no time did the New York Office insist that [redacted] be interviewed alone.

[redacted] subsequently called the New York Office and said that since he had an interest of his own in this matter, he would come to the New York Office without his attorney for interview. He indicated this was against the advice of his attorney but said he would do it anyway. It was again explained to [redacted] that he was entitled to an attorney for this interview.

[redacted] voluntarily appeared at the New York Office for interview. [redacted] was advised that this interview was being conducted at the specific request of the U. S. Attorney. The New York Office did not indicate in the teletype that [redacted] was so advised but will include this in the detailed report of the interview.

b6  
b7C

ASAC Bryant, New York, was instructed of the importance of following this procedure when conducting controversial interviews. Bryant said this procedure is well understood by that office and is followed in all instances. He expressed regret that the teletype regarding this interview did not reflect this information.

Memorandum to Mr. McGrath  
RE: [REDACTED] ET AL.

b6  
b7C

We sincerely regret that we did not follow through to make sure that New York had advised [REDACTED] that the interview was at the request of the USA prior to sending the teletype to the Director. We do want the Director to know that we are always alert to make certain interviewees informed that the interviews are being conducted at the request of the USA or the Department.

I, Edward P. Hartnett, being duly sworn, depose and say the following:

In connection with the investigation of the case entitled, [redacted] Roy Cohn; Bribery," I participated with Special Agent Maurice P. Leon in the interviews of [redacted] apartment on July 24 and 30, 1962. At no time during these interviews did I hear Special Agent Leon state that Roy Cohn is in great trouble.

b6  
b7c

I recall that during both interviews [redacted] [redacted] repeatedly asked what the investigation was about. We explained to [redacted] that she was being interviewed in connection with an official investigation of the Federal Bureau of Investigation. At no time were any of the allegations in this case against Cohn and [redacted] mentioned in any way.

b6  
b7c

I further recall that during the interview of [redacted] [redacted] on 7/30/62 she inquired if Roy Cohn was in trouble, and that Special Agent Leon declined to make any comment concerning this matter.

Both interviews were conducted in a friendly atmosphere and in fact [redacted] had offered to mix drinks for the agents. The offer was politely refused.

b6  
b7C

The questions during both interviews concerned primarily the activities of [redacted]

[redacted] Roy Cohn's name came up as being a mutual friend of [redacted] and no inference could have logically been drawn that Cohn was the subject of the investigation.

I had quite a conversation with George Sokolsky last night regarding  
certain case. This is the investigation being conducted into

b6  
b7C  
b3  
b7D

The U. S. Attorney handling this matter felt [redacted] perjured himself in this testimony and requested, on 7-24-62, that he be interviewed by the New York Office. After our Agents contacted [redacted] his attorney called and stated he did not think it advisable for [redacted] to be interviewed without the presence of his attorney. Shortly thereafter, [redacted] contacted our New York Office indicating he had talked the matter over with George Sokolsky and Roy Cohn who had expressed concern over this investigation.

b3  
b6  
b7C  
b6  
b7C

Wick, in my absence, discussed this matter with Sokolsky 7-27-62. Sokolsky was previously quoted as saying he desired to write an article reflecting the handling of this matter by the FBI. He told Wick the investigation is becoming an harassment to Cohn, [redacted] and others. Sokolsky had previously told L. B. Nichols that he might write a column blasting the Department and indicating that the FBI was being "used."

b6  
b7C

Upon talking with George on the night of 7-31-62; I told him I had just gotten back from five days leave and had learned he had a "beef" regarding this case. He then launched into a tirade about the impropriety of the FBI harassing innocent people. He stated he was considering writing an article about this matter. He made specific reference to an Agent by the name of Leen (Special Agent Maurice P. Leen of the New York Office) who reportedly told a woman he had interviewed, "Roy Cohn is in great trouble." Sokolsky stated the Agent had no right to say this. Sokolsky said that our New York Agents had apparently told [redacted] they would not interview him if he insisted upon his attorney being present. I told George that his attitude was typical of the type he developed every year at this time, that it seemed to me that each summer when he went to Otis, Massachusetts, to his farm he did nothing but sit on the edge of the lawn with a 60 foot extension to his telephone and pontificate like the Pope. I told him that he had a background of 20 years friendship with the FBI and that it seemed rather ridiculous that he was willing to throw all of this away simply based upon the words of other people. I told him that obviously he had taken this matter out of its right perspective, that for many months how he had gone through great pains to build up the Department of Justice in all categories yet he was losing sight of the fact at the present time that the Department issued instructions to the FBI. The point was made that obviously we were conducting this investigation at the instructions of the Attorney General.

George interrupted me at this point and stated one week ago the Attorney General had looked him squarely in the eye and had told him he knew nothing about this case. I told George this could not be true inasmuch as he, Sokolsky, had told me approximately two weeks ago that he had thoroughly discussed this case with the Attorney General and that the Attorney General had ordered U. S. Attorney Morgenthau to arrange an appointment with Roy Cohn. George admitted this but stated that he had meant to say that the Attorney General was not personally supervising this case. I told George this made no difference, that the Department of Justice, of which the Attorney General is the head, had specifically instructed the FBI to carry out this investigation and that George should look to the Department rather than the FBI for leveling his criticism.

George tried to make the point that the FBI should stand up against the Department when we knew we were being "used." I told him this attitude was perfectly ridiculous particularly for an old line columnist like himself who should know better than to make such statements.

I told George we would make an immediate check concerning whether Special Agent Leen had made the above-mentioned statement or not. I also explained to him the desirability of interviewing individuals without the presence of attorneys who constantly interrupted and prevented efficient handling of interviews. I mentioned this, of course, did not preclude the right of any individual to contact their attorney and that our activities in the past consistently reflected that individuals were always advised of their rights to contact an attorney.

George asked me what I was so mad about. I told him I was not angry about anything, however, merely desired to square him away before he went off half cocked. He then stated that I should know that he was pulling a bluff. I told him I suspected this all along, particularly in view of the fact I knew he would call me before writing anything derogatory concerning the FBI. He stated this would always be true, however, he wanted to "scare the hell" out of L. B. Nichols inasmuch as Nichols had been trying to take away certain prerogatives of his at Schenley Industries. I told

This is the investigation being conducted into the alleged payment of

b6  
b7C  
b3  
b7D

As fully reported in previous memoranda, and particularly in my memorandum of 8-1-62 (attached), George Sokolsky was told by someone (obviously either Cohn or [REDACTED])

b3  
b6  
b7C

[REDACTED] that a Special Agent, Maurice P. Leen, had

told [REDACTED]

"Roy Cohn is in great trouble." Sokolsky made threats to L. B. Nichols and to Wick of my office that he planned to write an article about the harassment by the FBI of Cohn and [REDACTED] specifying the alleged ill-advised remark by Special Agent Leen.

As my memorandum of 8-1-62 reports, I talked to Sokolsky at some length about this matter with the result that he eventually admitted that his threat was a bluff, that he only made this threat to write an article to throw a scare into L. B. Nichols, with whom he is having some difficulty at the present time at Schenley Industries. I told Sokolsky at the time of our conversation I intended to check very thoroughly into the alleged remark by Agent Leen and that I would be back in touch with him. The Director approved this action.

There is attached an Airtel from our New York Office dated 8-1-62 which, in turn, encloses signed statements from Agent Leen and Special Agent Edward P. Hartnett, who was present during the two interviews with [REDACTED] denying making such a statement. As a matter of fact, the Agents point out that [REDACTED] several times asked them to tell her what kind of trouble Roy Cohn was in. The Agents very properly refused to do this.

Re [REDACTED] Roy Cohn, Bribery

b6  
b7c

I called Sokolsky back at 11:30 a.m., 8-6-62, and told him I had all the details and was ready to square off with him about this matter. I then read to him the statement executed by Special Agent Leen and told Sokolsky this was confirmed by a second statement executed by Special Agent Hartnett who was present during the interviews. I told Sokolsky this confirmed our earlier beliefs that our Agents had made no such statement and that he, Sokolsky, had gone off half cocked in believing someone else who obviously was intentionally trying to get him "stirred up."

George led into [redacted] and Cohn with some vengeance. He stated he now b6  
realized that he was absolutely wrong in making the allegation against Agent Leen. He b7c  
stated he had been used by [redacted] and Cohn and that he resented this very much. He went  
on to say that [redacted] the woman interviewed by the Agents, is a "dope" and  
he does not trust her in the least. He added that [redacted] and Cohn should learn to keep  
their mouths shut and that he planned telling both of them that he will not be used any further  
in connection with the case. George also told me that obviously Cohn or [redacted] had  
caused [redacted] to ask the Agents, "What type of trouble is Roy Cohn in?" He  
stated this, too, was very ill-advised and was a stupid tactic on the part of Cohn and [redacted]

I took the opportunity of telling George once again that he should keep several things in mind. First, that the FBI was investigating this case at the instructions of the Attorney General and second that when instances of the above nature arise he should call me personally rather than going off half cocked. I told him that we had always leveled with him in the past and would do so in all instances; however, when he took somebody else's word against ours without checking, that it was his own fault that he was "used." He stated he now realized this fact and appreciated our being so blunt in correcting him.

**ACTION:**

No administrative action is recommended in connection with Agents Leen and Hartnett inasmuch as it appears obvious that they conducted themselves in a proper manner. We will keep in touch with Sokolsky regarding this matter.

Re: [redacted]

George he could scare Nichols all he wanted to but he should stay the hell away from the FBI in connection with such threats.

We went on for some period of time in the usual argumentative manner in which I have dealt with George for some years. He obviously has no intention of writing a column concerning the FBI and fully understands that we conduct these investigations at the specific instructions of the Attorney General. He obviously bluffed L. B. Nichols into thinking that he was going to write a column which would include the FBI.

I have instructed ASAC Winterrowd of the New York Office to immediately obtain an affidavit from Special Agent Leen in connection with George' allegation. Based upon the facts obtained, I plan to call George back and, if our condition is favorable, ram these facts down his throat.

[redacted] Chicago, Illinois, after referring to his calendar and his expense voucher for the month of June, 1962, advised that he was in Detroit, Michigan, during the period of June 19, 1962, through June 21, 1962. He advised that he met [redacted] at the Statler Hotel in Detroit, Michigan, on the evening of June 21, 1962, and that they had dinner, and flew from Detroit to Chicago the same evening together. [redacted] furnished details of his trip to Detroit and his meeting with [redacted].

[redacted] The executive chairman of this board is Roy Cohn of New York City.

"On June 19, 1962, or prior thereto, the exact date I am now unable to recall, I received a telephone call from [redacted] and was advised he was to be in Chicago for a meeting with some [redacted] people on June 22, 1962, and would more than likely arrive in Chicago on the evening of June 21, 1962. It is my recollection that I told Fugazy I did not believe I would be in Chicago on June 21, 1962, as I had to visit Detroit, Michigan, during that week on some [redacted] business. I told him that I would stay at the Statler Hotel while in Detroit, and believe he suggested that he might fly into Detroit on June 21, 1962, and we could meet and have dinner and return to Chicago together. I believe [redacted] said he could do a favor for Roy Cohn while in Detroit. I have no knowledge of the nature of the favor.

b6  
b7C

"I departed Chicago on June 19, 1962, by automobile with my wife and a partner of the accounting firm of Arthur Anderson, for Detroit, and arrived there the same day. I registered at the Statler Hotel. The purpose of my trip to Detroit was to negotiate a purchase for [redacted] and this was the only reason for my trip. I completed this business in the early afternoon of June 21, 1962.

b6  
b7C

"On June 21, 1962, sometime before noon, I received a message at the Statler Hotel that [redacted] telephoned. I placed a person to person telephone call to his office in New York City during the early afternoon of June 21, 1962,

CG 58-466

from a suite located in a mens' club in downtown Detroit. I do not recall the name of this mens' club, but it was not the Detroit Athletic Club, I believe it was the Detroit Club. This telephone call was made on my credit card which is numbered [redacted]

[redacted] The operator was unable to complete this call at this time; however, shortly thereafter I talked to [redacted] and asked him where and when we should meet. I believe he said he would meet me in the Statler Hotel lobby around 6:00 PM on June 21, 1962. I recall asking [redacted] if he wanted me to meet him at the airport and recall him telling me that he was being met by someone else with whom he had to discuss a matter and that they would discuss this matter during the ride from the airport to the hotel. I do not know who he met at the airport nor do I know what was discussed.

b6  
b7C

"I was waiting in the lobby of the Statler Hotel on the evening of June 21, 1962, and observed [redacted] and one other white male, whom I had never seen before, enter the lobby together. I believe this was somewhere around 6:30 PM. I assume this was the person who met [redacted] at the airport as I showed annoyance as [redacted] was late, and he remarked his plane was late, and this person indicated a confirmation of this. I was introduced to this man with [redacted], but I am now unable to recall his name. I would describe this man as being in his upper [redacted] about [redacted] or [redacted] medium build, and weighing between [redacted] pounds. I remember no distinct characteristics about him with the exception that this individual appeared to be extremely nervous and may possibly have smoked cigars. I believe I would recognize him if seen again.

b6  
b7C

"This individual, immediately after being introduced to me, asked [redacted] if he could talk to him, and they moved a short distance away from me and carried on a conversation for approximately ten minutes. I do not know what the conversation

b6  
b7C

CG 58-466

concerned, and it was not discussed with me by [redacted]. When the two finished their talk, [redacted] and I left the hotel lobby, and I last observed this individual standing in the lobby of the hotel. I do not know if he also left the hotel immediately or not. I remember distinctly that there was only this individual with [redacted] when they entered the hotel lobby. I do not know how [redacted] got from the airport to the hotel but assume it was by automobile with this individual to whom I was introduced.

b6  
b7C

[redacted] and I, when departing the hotel lobby, went to a restaurant, name unrecalled, for dinner. This restaurant is located on the same street and on the same side of the street as the Statler Hotel, and I believe it is across the street from one of the other main hotels in Detroit. [redacted] said he was to see a Nick Pietronsanti at this restaurant. When we arrived at the restaurant, I was introduced to Pietronsanti, who was already there, and he joined us at our table. [redacted] and I had dinner, and [redacted] talked with Pietronsanti relative to Pietronsanti joining his organization and [redacted] in the Detroit area for the major corporations. We were in this restaurant for over an hour, and when we departed, [redacted] and I took a taxi from the restaurant to the airport where we later boarded a plane for Chicago.

b6  
b7C

"I recall that one day after June 20, 1962, (and I believe it was the day that [redacted] was questioned or appeared before some type of committee) receiving a telephone call at my residence somewhere after 9:00 PM from [redacted]. [redacted] told me that I would probably be questioned concerning the man who met him at the airport in Detroit the evening that we had dinner together. [redacted] at this time again told me this man's name, but I am unable to recall it.

"The following morning, after this call from [redacted] I telephoned [redacted] at his office for the purpose of obtaining the name of this individual who had met him. [redacted] told me not to worry about it as he had spoken to Roy Cohn and told him that he had called me the night before, and Cohn said this wasn't necessary. [redacted] did not at this time tell me the name of the man who met him.

He first met [redacted] at a sports banquet in Jamestown, New York, some time ago, date unrecalled. He described [redacted] as a type of individual who is interested in athletes engaged in various sports. He is acquainted with several members of the New York Giants football team.

b6  
b7C

About eight weeks prior to interview date, PIETROSANTE received a call from [redacted] at his home at which time [redacted] asked him if he would be interested [redacted]

[redacted] PIETROSANTE stated he would be interested and [redacted] indicated he would recontact PIETROSANTE for further discussion.

About a week later, [redacted] called again at his home and related he was going to Chicago, and would stop in Detroit to discuss the matter of employment. As PIETROSANTE recalls, a dinner meeting was arranged for the next evening.

PIETROSANTE could not recall the exact date, but it occurred at the time of the Material Handling Show at Cobo Hall in Detroit. He believes this was just after the middle of June, 1962.

[redacted] accompanied by [redacted]  
 [redacted] in Chicago, met PIETROSANTE at the Wonder Bar about 7:30 P.M., where they all had dinner. It was PIETROSANTE's recollection [redacted] had traveled by American Airlines and had arrived at the airport about 6:30 P.M. and the two men had come directly to the restaurant.

After dinner at approximately 9:30 P.M., [redacted] and [redacted] left to go to the airport to catch their plane to Chicago. As he recalled, the plane left Metropolitan Airport at 10:20 P.M. and there was some conversation as to taking a cab in order to make the plane. He believes a cab was used at his suggestion.

PIETROSONTE was scheduled for an appearance at Governor's Day at Hershey, Pennsylvania, on July 16, or 17, 1962.

He flew to New York with his wife for the preceding week end and stayed in [redacted] suite at the St. Moritz. The trip to New York was paid for by "Sports Illustrated."

Friday night was spent at Toots Shor's restaurant and he and his wife saw a Broadway show on Saturday night. While in New York, [redacted] introduced him to the New York [redacted] name unrecalled, and there was more discussion relative to his employment and the business.

Saturday afternoon he played golf with [redacted] MOE DALITZ, and ED SULLIVAN. After the week end, Mr. and Mrs. PIETROSONTE were flown to Hershey in a plane belonging to the Lionel Corporation in which [redacted] PIETROSONTE has not been in contact with [redacted] since that date.

## FEDERAL BUREAU OF INVESTIGATION

Date 5/18/64

[redacted] Sheraton - Chicago Hotel, Chicago, Illinois, advised that he has been unable to locate the registration records of [redacted] and [redacted] for the period September 19, 1962 - September 27, 1963, July 27, 1962 - October 1, 1962, and August 4, 1962 - October 1, 1962, respectively. He stated that 1961 and 1962 registration records of the hotel are now on microfilm and a search of the film as well as a search of the record room has proven fruitless in regard to locating these records.

b6  
b7C

He was advised that [redacted] of the hotel, had allegedly related to the United States Attorney's Office in the Southern District of New York (SDNY), that he recalled the records were furnished in September, 1963, to SA CHARLES E. PRICE for review by a female employee of the hotel whose first name was [redacted] and he thought this female employee may recall what happened to the records after SA PRICE returned them to her.

b6  
b7C

[redacted] was advised by SA PRICE that [redacted] on September 20, 1963, directed a Negro female clerk to pull the desired registration cards and the ledger sheets pursuant to the inquiry being made by SA PRICE. This female employee left [redacted] office and she thereafter returned with the desired records. She gave them to [redacted] who in turn reviewed them and furnished the information appearing thereon to SA PRICE. Arrangements were made to review the September, 1962, long distance telephone tickets charged to the rooms occupied by the above mentioned persons and the registration records and ledger sheets were last seen in the possession of [redacted].

b6  
b7C

He was advised that on September 23, 1963, SA PRICE and SA BILLY E. WEBB reviewed the September, 1962, long distance telephone tickets for the hotel, and a copy of each ticket desired was obtained from the hotel. These copies were made on the copying machine of the hotel by a female employee of the hotel at the direction of [redacted] No original

records of any kind were taken from the hotel by SA PRICE.

[redacted] stated there is no female employee by the name of [redacted] employed in his department at the hotel. He then placed a long distance telephone call to [redacted] in Cincinnati, Ohio, and [redacted] advised him that he directed [redacted] female clerk at the hotel, to pull the records desired by SA PRICE and that she did this and brought them to his office. He reviewed these registration records in the presence of SA PRICE and furnished him the desired information. SA PRICE thereafter reviewed the hotel's long distance telephone tickets for September, 1962, and was furnished a copy of each ticket he desired. He said the original registration records and ledger sheets were not returned to [redacted] by him nor SA PRICE as he recalls being told by SA PRICE that these records may later be subpoenaed and suggested that they be filed in a place where they would not be lost or destroyed. It is his recollection that he [redacted] then placed these records in an envelope and returned them to the hotel's record room himself. He does not recall whether he put them in a record storage box or if he merely placed them on top of a storage box.

b6  
b7C

[redacted] immediately made a search of the logical boxes in the record storage room in an effort to locate this envelope and he was assisted by SAs PRICE and O. ARTHUR GRAN. However, the desired records were not located. [redacted] stated that it is most possible that these records have been destroyed explaining that since February, 1964, the hotel has been in the process of microfilming its records and destroying the originals. Any loose records or records which were improperly filed may well have been thrown aside and thereafter destroyed. He said, however, that he will have the record room emptied and each box containing records opened

in an effort to locate the desired records. He estimates that this will take approximately two weeks.

[redacted] concluded by stating that [redacted]  
resigned from the hotel in February, 1964, for the purpose  
of having a cancer operation. She thereafter had this  
operation and her last known address is [redacted]  
[redacted] which he believes is the  
residence of her mother, name unknown. He said [redacted]  
is a Negro female, born [redacted] and that while  
in Chicago she resided at [redacted] telephone

Upon personal interview, Mr. DU PASQUIER stated that he has no personal acquaintance with a MURRAY E. GOTTESMAN. He stated that this person is totally unknown to him. A search of Mr. DU PASQUIER's stockbroker client file failed to reflect the name GOTTESMAN.

Mr. DU PASQUIER explained that he has connections with the New York stock exchange and that he maintains an agency in that city called the Du Pasquier and Company Agency. It is located at 61 Broadway, New York City. It is possible that this branch office of his firm could have contacts with MURRAY E. GOTTESMAN.

USA ROBERT M. MORGENTHAU, SDNY, has requested that SA ARTHUR J. ACHENBACH be present at counsel table for new trial in this matter which is to commence 6/9/64. USA, SDNY, has presented this request because of the complicated nature of the investigation, the sizeable number of exhibits involved and anticipated requests for further investigation as the trial progresses.

In discussions regarding this request, it was pointed out to USA MORGENTHAU that it was felt SA ACHENBACH's presence at counsel table should be restricted to actual periods of testimony by witnesses concerning whom the Bureau has done extensive investigation and where a large number of exhibits exist relating to the particular witness. This would exclude SA ACHENBACH from spending unnecessary time at counsel table such as during reading of Grand Jury minutes or testimony of individuals concerning whom there are no Bureau exhibits.

As a result of these discussions, USA, SDNY, has requested SA ACHENBACH be at counsel table during testimony of the following:

AUSA [redacted], SDNY, advised this date that on 6/2/64 Second Circuit Court of Appeals denied defense motions for writs of mandamus for severance of GOTTESMAN and continuance or change of venue in COHN trial.

AUSA [redacted] related that hearing was held this date before USDJ DUDLEY B. BERMAN informed Judge BONSAL that in order to adequately prepare his defense of COHN he would need a postponement of the trial until 9/1/64.

The foregoing is for information. You will be advised of pertinent developments.

[redacted] Compliance Officer, Office of Labor-Management and Welfare Pension Reports, (OLM-WPR), Department of Labor, 105 West Adams Street, furnished the following information:

b6  
b7C

[redacted] Assistant Regional Director, OLM-WPR, went to New York on Wednesday, June 3, 1964, via American Airlines and landed at La Guardia Airport, time unknown. He returned on the same date via American Airlines and left New York at 7:30 p.m.

On Thursday morning, [redacted] discussed his trip with several employees of OLM-WPR. [redacted] said he had received word via telephone from the United States Attorney's office in New York to appear there, and he had requested the caller to clear the request through JOHN V. [redacted] told [redacted] that he had been interviewed by personnel of the New York United States Attorney's office concerning the trip [redacted] took to the West Coast with [redacted]

[redacted] in connection with the POWELL case. He said he was asked if the ROY COHN case was discussed during his trip to the West Coast. He said the questions asked of him seemed designed to develop the extent of his relationship with [redacted]. He was asked if [redacted] had contacted anyone while on the West Coast who was not connected with the POWELL matter. [redacted] said he had replied that [redacted] had not made any such contacts to his knowledge but could have done so without him knowing. [redacted] further related to [redacted] that someone in the COHN case had said that someone gave [redacted] \$35,000 in Las Vegas. [redacted] said he was questioned intensively regarding this incident as to whether he had knowledge of it or shared in the \$35,000. They obtained a double room at the hotel, and that evening they interviewed the witness. The following morning, after having breakfast, they returned to the airport and took a flight directly back to New York. [redacted] was with [redacted] the entire time they were in Los Angeles. and to the best of his knowledge, at no time did [redacted] make any contacts of friends or acquaintances other than the witness.

allegation that [redacted] had received a package of money from the witness whom they had interviewed in Los Angeles in 1959. The payment allegedly was made in Las Vegas, Nevada. At this point, [redacted] made a statement to the effect that the Assistant doing the questionning in 1961 remarked that it was his, the Assistant's, sole decision not to include [redacted] and two other individuals, unmentioned, in the indictment connected with the ROY COHN case. [redacted] conversation concerning this was not clear, and he was not questioned any further.

[redacted] related that at the conclusion of the interview on Wednesday, June 3, 1964, the Assistant asked him if he would be willing to take a polygraph examination concerning his association with [redacted] and whether or not he knew about the alleged pay-off to [redacted] and/or if he participated in it. [redacted] stated at this point he became very incensed inasmuch as the Assistant was questionning his integrity and honesty, and inasmuch as he has been an investigator for the United States Government for [redacted] years, he felt that these qualities were above reproach.

[redacted] related that he informed the Assistant that he would take the polygraph test provided the Assistant furnished him a letter specifically requesting him to do so. He then mentioned that, should he receive such a letter, he intends personally to take the matter up with the Attorney General of the United States. [redacted] did not make it clear whether he so advised the Assistant of his intentions.

 Supervisor James Mansfield, New York Office, advised that the defense attorneys for Roy Cohn have indicated that they intend to subpoena seven present and former Bureau Agents to testify as defense witnesses next Monday, July 6, 1964. As you know Roy Cohn and Murray Gottesman, also a New York attorney, are on trial in the Southern District of New York in connection with false testimony they gave to a Federal Grand Jury in connection with Robson's activities while he was an Assistant U. S. Attorney in the Southern District of New York.

The Agents who are currently in the service whom Cohn's attorneys intend to subpoena are Roger Young (New York), Arthur J. Achenbach (New York), Robert L. Brannon (Resident Agent, Evansville, Indiana) and Maurice P. Leen (assigned to Indianapolis, presently in Memphis on a special assignment). In addition Cohn's attorneys indicated that they intend to subpoena former Special Agents Donald E. Joyce, James R. Gallagher and Edward P. Hartnett.

Supervisor Mansfield stated that Assistant U. S. Attorney [redacted] is initiating steps to have the subpoenas in question b6 quashed. [redacted] stated that he does not know the reason why the b7C present and former Agents are to be subpoenaed nor what testimony they are expected to give.

ACTION:

Assistant U. S. Attorney [redacted] has requested that he be advised as to the locations of the present and former Special Agents mentioned above in order to assist him in resisting the forthcoming subpoenas. [redacted] is being furnished this information.

Mr. Nichols called and asked that I give you the following message:

Mr. Nichols said he was down to testify in the Roy Cohn case; that he followed the same line of testimony as in the previous case; that on cross-examination "this little SOB [redacted] tried to get me to say that agents came to Schenleys last November for information and we refused to give it to them." Mr. Nichols stated this was not true and that [redacted] then accused him of calling the Bureau and trying to stop the investigation. Mr. Nichols stated he called [redacted] an unmitigated liar and "got a round of applause from the court room." Mr. Nichols said that he then elaborated and said that "following their visit up here and following reports I received from other places around town that Bureau Agents were coming out and inquiring as to fees and services rendered by Cohn, I held this highly improper and I called the Bureau as I knew it was contrary to Bureau policy unless instructed to do so by the Department or United States Attorney. After I called the Bureau I subsequently was informed that what the Bureau was doing, it was doing at the request of the United States Attorney."

b6  
b7C

Mr. Nichols said that knowing the propensities of this group (the United States Attorney) to garble the truth he did not want any reports to come down here before he could get the transcript of the testimony. He will send down the transcript as soon as he gets it.

Our New York Office has just telephonically advised that the trial of Roy Cohn and Murray Gottesman in U. S. District Court, Southern District of New York has resulted in the jury returning a verdict of not guilty on all counts in respect to both Cohn and Gottesman.

This is the case in which Cohn and Gottesman, New York attorney, were indicted 9/3/63, by Federal Grand Jury, Southern District of New York, for Perjury, Conspiracy and Obstruction of Justice in connection with a grand jury probe of alleged \$50,000 bribe in August 1959, to Cohn and then [REDACTED] to control indictment in a Securities and Exchange Commission case. The grand jury probe did not corroborate the bribe allegation but Cohn and Gottesman were indicted in connection with their testimony before the grand jury. Trial began 6/9/64.

July 10, 1964

Dear Mr. Hoover:

On Thursday morning July 9, 1964, I testified in Roy Cohn's second trial to statements made by [redacted] to me, which were diametrically opposed to his testimony in the case, and I am enclosing a transcript of yesterday's testimony.

United States Attorney [redacted] on cross-examination naturally attempted to undermine my testimony, in which, of course, he did not succeed in doing. He made factual representations that were falsehoods, and I direct your attention to page 4594 of the testimony wherein he inquired as to whether it wasn't a fact that at Roy Cohn's request I contacted the FBI and requested a "halt" of the Bureau's investigation at Schenley. I replied by stating "That's an unmitigated lie." - which it was - Later on, in my testimony on page 4596 I elaborated on the incident.

The facts back of this are these: Bureau agents did come to Schenley and spoke with [redacted] requesting copies of cancelled checks covering payments to Roy Cohn for legal fees. The Internal Revenue was conducting an investigation on Mr. Cohn and we had given them all of our papers and, obviously, we could not comply on that day. I told [redacted] that we would furnish all information as soon as we could get it and that the checks in question were in the hands of the Internal Revenue, and the United States Attorney might get them there. Subsequently, the agent came back and stated that the United States Attorney did not want to get them from the Internal Revenue and, accordingly, when the Internal Revenue returned the data we promptly made them available to the Bureau.

REO-98 58-5100-405  
Shortly after the first inquiry I heard that the Bureau agents were contacting other clients of Roy Cohn inquiring as to fees paid him, and requesting cancelled checks. This concerned me very much because I was fearful that another "steel pricing case" could arise wherein the Bureau would come under criticism and, accordingly, I called Mr. DeLoach and advised him of this, and also informed him that we had received word that Judge Dawson had requested the United States Attorney's Office to instruct the Treasury Department to stop making inquiries regarding Mr. Cohn until the trial was over.

Subsequently, [redacted] sent me a memorandum of his conversation with Judge Dawson and I had [redacted] give it to the Bureau agents at the time they called here. I am sure that the Bureau agents reported this to the United States Attorney's Office, and [redacted] was in possession of all the facts.

b6

So as the Bureau may have the full details, for its own information and not for reference to the department, I am enclosing copies of [redacted] memoranda to me, and letters that I sent to [redacted]. Also enclosed is a copy of [redacted] letter to me advising of Judge Dawson's instructions to the United States Attorney's Office.

Roy Cohn called me from New York on 7/21/64 and stated that he was elated as to the outcome of his trial. He mentioned that the purpose of his call was to let the FBI know of his opinion that our Agents, who had testified for both the prosecution and defense, had handled themselves in complete fairness and candor. He stated the Agents had "gone right down the middle" in testifying factually and fairly. Cohn added that what impressed him the most was the fact that when some of our Agents were subpoenaed by the defense they handled themselves in the same fair and honest manner in which they had testified for the prosecution. He pointed out that this was one of the principal factors that had made the FBI great. He stated he was very appreciative and would like very much for the Director to know of his opinion.

On May 1, 1964, AUSA [redacted] advised that during the first trial in this matter, [redacted] testified that [redacted] was wearing a brown sport jacket when [redacted] [redacted] when testirying at the trial denied this and stated he never owned a sport jacket.

AUSA [redacted] requested that the cancelled checks of [redacted] for the year 1959, which he previously furnished to the United States Attorney's Office, be reviewed to determine [redacted] charge accounts at clothing stores. Thereafter, he requested these stores be contacted to attempt to locate any record of the purchase of a sport jacket by ROBSON.

b6  
b7C

On May 4, 1964, a review of [redacted] cancelled checks reflected payments to the following:

Bloomingdale's, New York City.

Wanamaker's, Philadelphia, Pennsylvania.

Saks, 34th Street, New York City.

Saks, Fifth Avenue, New York City.

It was ascertained on May 8, 1964, that A. Sagner's Son had moved from Baltimore, Maryland to Frederick, Maryland, and is now known as Sagner, Incorporated.

On May 11, 1964, SA RONALD R. LICHTINGER conducted the following investigation at Frederick, Maryland:

[redacted]  
Sagner, Incorporated, S. Wisner Street, Frederick, Maryland, examined her cash receipts records for the month of February, 1958 but could find no record of a check being received from [redacted]. She said that in 1958, Sagner's was a wholesale operation and sales to individuals were not ordinarily made. Frequently, sales would be made to companies, or various organizations as well as to the usual wholesale outlets.

b6

On May 11, 1964, [redacted] Collection Department, John Wanamaker's Department Store, Philadelphia, Pennsylvania, was contacted by SA JOE HARGIS. [redacted] requested any information in his records concerning [redacted] be kept confidential, if possible, since Wanamaker's have been involved in litigation with [redacted] concerning a disputed account.

A review of the accounts of Wanamaker's reflected an account for [redacted] Riverdale, Bronx, New York, address prior to November, 1959, of [redacted] New York. The account was dropped as of December 28, 1963, as uncollectible. The account was opened in September, 1959, and the first credit purchase was between mid-September and mid-October, 1959, for about \$11.00. There were no credit purchases prior to August 23, 1959.

b6  
b7C

No account could be located for [redacted]  
No original credit application for [redacted]  
[redacted] would be located.

NY 58-1232

[redacted] therefore, concluded that [redacted] could not have purchased the sport jacket at Wanamker's on credit prior to August 23, 1959. No record would have been kept, of course, of any cash purchase.

b6  
b7c

1Date May 18, 1964

Store, Bambergers Department Stores, Incorporated, made available microfilm records of monthly statements and sales checks for account Number 397-61-738 in the name of [redacted]

b6  
b7C

[redacted], Riverdale, New York. These records covered the period January 1, 1958, through September 30, 1959. It was determined that the above account had been opened during 1957; however, the microfilm records pertaining to 1957 had been destroyed. Bambergers maintains microfilm records for a period of six years.

A review was made of these microfilm records for the above account in an effort to locate the purchase of a man's sport jacket. Purchases were noted on this account; however, no purchase of a man's sport jacket was located.

It was noted that the first statement for 1958 which was dated January 27, showed a carried forward balance from the previous statement of \$39.31. Inasmuch as all previous statements had been destroyed, it could not be determined what purchases made up this balance.

V. ACTIVITIES OF COHN IN AUGUST, 1959

Investigation regarding COHN's travels to Duck Key, Florida in August, 1959 has been reported previously. Attempts to locate and interview HENRY LILLYBECK, the pilot who flew COHN to Duck Key were set forth previously.

Date 5/11/641

HENRY C. LILLYBECK, 97 Hendrix Isle, Fort Lauderdale, Florida, advised he was employed as an airplane pilot for ALONZO COTHRAN, Islamorada, Florida, from February 1960 until December 1960.

LILLYBECK stated his flight log, covering his employment with COTHRAN, was destroyed during Hurricane Donna and he has no other record of flights during this period.

LILLYBECK recalled making approximately 15 to 20 flights from Miami, Florida, to Duck Key, Florida, while employed by COTHRAN, when ROY COHN was his passenger. He said COHN usually traveled alone on these trips and he flew down to the Indies House on Duck Key for the week ends. He recalled that once or twice COHN was accompanied by other individuals.

LILLYBECK recalled specifically that COHN had asked to be flown to Cuba on one occasion, saying he wanted to get out of the country. LILLYBECK said when he refused to pilot the plane to Cuba, COHN became extremely angry and threatened he would have LILLYBECK fired.

LILLYBECK stated he made out trip tickets, which included the names of passengers, upon the completion of each flight he made. He said these tickets were turned over to his employer, ALONZO COTHRAN. He related that these tickets would show all the dates and names of the passengers flown on the particular dates if COTHRAN still had them.

AUSA COHN advised on May 15, 1964, that GOTTESMAN's diary had a notation of a contact with one, JULIUS LEICHER on August 19, 1959. He requested that this individual be located and interviewed for any information he may possess regarding GOTTESMAN's activities on that date.

49

Date 6/1/641.

MURRAY LEICHER, Attorney, 1664 Madison Avenue, New York City, advised that he has known MURRAY GOTTESMAN for many years, having attended school with him as well as serving in the Army with him. LEICHER added that he has not seen GOTTESMAN since approximately 1946.

LEICHER made available the 1959 diary of his law firm. This diary reflected an entry near the bottom of the page on August 19, 1959, which read, "M. Gottesman re: 58 decision". LEICHER explained that this entry was in the handwriting of his brother, JULIUS and he, MURRAY LEICHER could not state whether this entry reflected a telephone call or a visit to or from GOTTESMAN. He further advised that his brother JULIUS is in the hospital recuperating from a heart attack but he, MURRAY, would ask JULIUS for his recollection of the diary entry.

MURRAY LEICHER stated further that he could not fix the time of day of the entry because frequently he and his brother make notes on scrap paper and then at the end of the day enter their day's contacts in the diary.

LEICHER added that to his knowledge, GOTTESMAN has never personally appeared at the LEICHER office.

JULIUS LEICHER, Attorney, 1664 Madison Avenue, New York City, was interviewed at his office. LEICHER examined the firm's diary for August 19, 1959, and advised that he wrote the entry regarding GOTTESMAN and most of the entries on the page. LEICHER stated that he had had many contacts with GOTTESMAN about that time all but possibly two or three were telephonic.

LEICHER explained that his firm had represented one [redacted] some years ago in a legal dispute concerning [redacted] and another member of the board of [redacted]. He said that in 1958 or 1959, [redacted] had recontacted him to have LEICHER represent Sunreb in a legal matter involving properties owned by the corporation and condemnation proceedings by New York City. LEICHER stated that he told [redacted] that he could not ethically represent the corporation because of the prior action and recommended they seek other counsel.

b6  
b7c

LEICHER stated that subsequently he was contacted by GOTTESMAN and learned that GOTTESMAN was representing the corporation. He related further that he had a number of contacts with GOTTESMAN on this matter but mostly on the telephone. He said that because of the nature of the matter there was little need for personal contacts or for conferences with the clients.

LEICHER further advised that GOTTESMAN has never been in the office of the LEICHER firm and he, JULIUS LEICHER, has been in GOTTESMAN's office two or three times. He stated that the August 19, 1959, diary entry he would guess was a telephonic contact because he explained that it was his usual procedure if he was to visit another's office or have another call at his office, he would put a notation as to the time of the appointment before the name of the individual. He added that since there is no time noted before GOTTESMAN's name, it was probably a telephonic contact but he could not testify to this.

LEICHER stated that he could not recall what time during the day the contact with GOTTESMAN occurred. He explained that sometimes he notes contacts on scrap paper and later enters them in the diary or sometimes all the contacts may be in the morning but due to the lack of an entry showing a particular time on August 19, 1959, he could not even venture a guess as to the time of the GOTTESMAN contact.

Chief DONALD O'KEEFE, Mendham Township,  
 New Jersey Police Department, advised that he arrested [redacted] Mendham  
 Township, for driving under the influence of alcohol and  
 careless driving at 3:20 A.M., [redacted]

He stated that he received a call from someone in the [redacted] Mendham Township telling him that a car was involved in an accident in front of the [redacted] home. [redacted] a special police officer in Mendham Township and was with Chief O'KEEFE when he received the call so they answered it together.

Chief O'KEEFE states he found [redacted] sitting behind the wheel of his car which was up against a tree at the entrance to the [redacted] driveway. He got out of the car and was unsteady on his feet. He denied that he had been drinking but, Chief O'KEEFE smelled the odor of alcohol on his breath. [redacted] stated that he had a chain and if the Chief would pull his car away from the tree he would leave. Chief O'KEEFE refused to do this.

A survey of the accident scene by Chief O'KEEFE showed that [redacted] car had skidded for a distance of 75 feet prior to hitting the tree. It appeared that he was trying to negotiate a curve at the intersection of Washington Valley Road and Tingley Road. This intersection was another 50 feet further down the road from the accident scene. It appeared that [redacted] mistook the entrance to the [redacted] driveway for the above intersection.

Chief O'KEEFE states that they took [redacted] to [redacted] Police Headquarters where he was examined by [redacted] Mendham Borough, New Jersey. ## FEDERAL BUREAU OF INVESTIGATION

Date July 9, 1964

MILTON ERIC HERTH, 829 East Oakey Boulevard, Las Vegas, Nevada, telephone number Code 702-384-6757 was interviewed in the Main Hardware, 606 - 57th Street, Kenosha, Wisconsin. HERTH was immediately advised of the identity of the interviewing agent as SA DEAN R. SHUMWAY of the Federal Bureau of Investigation, that he did not have to make a statement, that any statement he did make could be used in a court of law against him, and that he had the right to consult an attorney before making a statement.

Mr. HERTH advised that he is a professional organist and accepts musical engagements throughout the country but resides in Las Vegas. HERTH advised he does known MURRAY E. GOTTESMAN as a result of having met him on one occasion in 1930, at which time he, HERTH, was playing for the Paramount Theater in Hammond, Indiana, and GOTTESMAN at that time was head usher for Paramount Theaters. HERTH has seen GOTTESMAN on only one occasion since 1930, which was sometime in 1959 or 1960, at which time he, HERTH, was playing at the Desert Inn in Las Vegas, Nevada. Mr. HERTH advised he terminated employment at the Desert Inn the first week in January, 1961; that he had worked there seven years preceding that time and, therefore, could not recall the exact time at which he saw GOTTESMAN. He believes, however, that it was either in the summer or fall of 1960 but that it could have been as early as 1959.

Mr. HERTH advised that he saw GOTTESMAN for approximately ten to fifteen minutes early in the evening of what was probably a week day rather than a weekend. Mr. HERTH advised he believes it was a week day due to the volume of business present at the Desert Inn, which was not busy enough to have been a weekend or a holiday. HERTH advised that when he saw GOTTESMAN on this occasion GOTTESMAN was in the company of a woman whom he introduced as his wife. HERTH, at the time he saw GOTTESMAN, was playing the organ at the Desert Inn, and GOTTESMAN was in the lounge in which HERTH was playing. They

recognized one another and conversed for the indicated period of time.

Mr. HERTH advised that he was in Las Vegas over Labor Day of 1959 and that he worked on that day but does not believe it was on Labor Day or the Labor Day weekend that he saw GOTTESMAN and his wife inasmuch as holidays at the Desert Inn are extremely busy and there was not sufficient business present at the Desert Inn to indicate to him that it was the Labor Day weekend. HERTH advised that he did not see GOTTESMAN on any other occasion at the Desert Inn; that he has not seen him before that time or since that time and that he spent no more time with GOTTESMAN than he previously mentioned--ten or fifteen minutes. Mr. HERTH advised that he can state definitely and unequivocally that DEBBIE REYNOLDS was not playing at the Desert Inn during that time and that DEBBIE REYNOLDS never played at the Desert Inn at any time during which HERTH was employed there. He advised that it is possible that EDDIE FISHER may have been there during the period of time in question but that the only time he actually recalls EDDIE FISHER having been at the Desert Inn was after he had married ELIZABETH TAYLOR.

Mr. HERTH was unable to adequately describe GOTTESMAN due to the limited contact he had with him--both at that time and prior to that time--but advised that he recalled that he was a "little gray," about 5', 10", and that he was dressed neatly. HERTH was unable to recall if GOTTESMAN was wearing glasses but advised he appeared to be a man of approximately 54 to 55 years of age.

Mr. HERTH advised that he has never worked or played for GOTTESMAN; only that they both worked for the Paramount Theater at the time HERTH played for Paramount in Hammond, Indiana.

Mr. HERTH advised that he will be playing at the Beacon Hotel, New York City, until mid-July, 1964, but can be reached at his home in Las Vegas after that time.

Dear Mr. Hoover -

When I started fighting Communism as a young voice in the wilderness of the Justice Department, I suppose I realized that those who did not like what I was doing would be after me for a long time. I have become used to it - but when I see the wholly unfair and unjustified attempt to involve someone such as you in their political machinations, I am embarrassed and angry. *CM*

I know your perception is such that you can smell through antics like theirs, but I wanted you to know from me my feeling of personal concern.

You are such a great institution up and down this nation, that I hate to see you diverted or annoyed for even a minute - thus my sense of deep regret.

For your information, I am enclosing copies of our answering papers.

Respectfully,

Roy (M. Cohn)

Re Bureau teletype dated 11/28/69.

Contact of United States Attorney's (USA) Office, Southern District of New York (SDNY), reflects that request for presence of SAS [ ] and [ ] was initiated by ROY COHN, defendant of current prosecution, SDNY. COHN advised court that he expected to call Agents as defense witness and requested the court instruct USA's Office to have those Agents available. Hence, the USA's request.

b6  
b7c

COHN's defense was scheduled to begin Monday, 12/1/69, but order of defense was changed on that date so that other defendants preceded COHN. USA's Office expects COHN's defense to begin not later than 12/3/69, or 12/4/69, and that Agents would testify probably not later than 12/5/69.

SA [ ] will return to St. Louis as soon as he is released by the court.

NOTE:

Trial of Roy Cohn on Securities and Exchange Commission case not investigated by FBI commenced 9/23/69 and on basis of repeated requests by USA, New York, SA [redacted] (St. Louis Office) has made several appearances at New York as potential witness at trial of Cohn to corroborate information furnished by prime Government witness [redacted] SA [redacted] (New York Office) has also made an appearance at request of USA. In view of repeated travel expenses involved as to SA [redacted] and inconvenience to investigative operations of St. Louis and New York Offices, it is felt that while authority should be granted for SA [redacted] and [redacted] to appear as witnesses as requested by USA, nevertheless, USA should be asked to advise as to whether these Agents will now testify. Delays have occurred during course of trial because of illness of Cohn and his attorney.

Senator Abraham Ribicoff  
United States Senate  
Washington, D.C. 20510

Dear Senator Ribicoff:

On September 8, 1969, I wrote to you in reference to the problems of crime in the United States. At that time, I said in part, "we are again informed by the newspaper, if this is true, that the director of the FBI, Mr. Hoover, has transferred three agents from the New York office to less desirable posts rather summarily because they were involved in a case with Mr. Roy Cohen, who happens to be a particular favorite of Mr. Hoover's. If this is true, again this is the powerful getting special privileges."

You were kind enough to submit my letter to the FBI and then send me a copy of the letter from Mr. Hooyer, indicating that the transfer of the three special agents "resulted solely from their failure to comply with long-standing rules and regulations of this bureau and had nothing what-so-ever to do with the merits of the Roy M. Cohen case."

Since that time, there has been very little in the public press about the matter and there was no opportunity to get any further information about it. However, last week I had the opportunity to check the matter in great detail through some long-standing friends, who are peace officers and were in a position to give me what I believe to be a most honest and candid report on the situation. They assured me that the transfer of the three special agents, in fact, resulted from their failure to comply with long-standing rules of the bureau as Mr. Hoover stated. As you may appreciate, I am delighted to find out that I was wrong, but most unhappy that the public press was instrumental in leading me to these false conclusions. I hope and trust that you will convey my sincere apologies to Mr. Hoover and the bureau for making accusations that had no basis in fact.

Sincerely yours,

## The New York City Democratic Committee

The mission of the New York City Democratic Committee is to achieve the fullest participation in the affairs of our party by all of our fellow New Yorkers who are dedicated to the cause of progressive government and also to develop a spirit of unity in our ranks that will lead to Election Day victories.

We have an abiding faith in the future of our City. Our dedication and resolve is to rid New York of the urban blight that demeans the spirit and mars our landscape and to conquer with concrete programs the fears that have produced alienation and disaffection among our people. We have faith in our ability to create within our City an environment appropriate for the elderly, the young, for black and white and Puerto Rican, and for the raising of children, and to create a climate in which our working people, our business, and our industry can prosper.

We believe in open discussion and public debate in democratic fashion for the achievement of unity and purpose and in the furtherance of our conviction that the issues that divide us are far less significant than the principles that unite us.

We also believe that the time has come for an end to internal bickering, to broaden, not narrow our party so that we can speak with a strong, clear and united voice for responsible programs and policies. We are prepared to galvanize our elected and Party officials, members, and supporters to move forward with programs shaped to serve the needs of our people, and, in so doing to achieve victories on the Election Days to come.

Dear Jerry:-

While I have the highest regard for Controller Beame, I shall not participate in the dinner for him because Ramsey Clark is billed as toastmaster.

You talk about uniting the Democratic Party. The Party contains millions of Americans who identify Clark with his unprincipled attack on J. Edgar Hoover - whose service to this nation over a lifetime has earned him unique universal respect. It is many of these average Americans in our Party who left it this fall and voted for Jim Buckley. You give them no incentive to return by trying to stuff Ramsey Clark down their throats.

I also note you honor Congressman Rooney's defeated insurgent opponent, but not the Congressman.

Sorry -- but count me out.

Sincerely,

Roy M. Cohn

Dear Jerry:-

Thank you for your letter. I know of your regard for Mr. Hoover, and I'm sure he does. That still begs the question of the unnecessary choice of Ramsey Clark, who obviously offends many people, and who is busy all over promoting himself.

Jerry, when you talk again about "unity" and "winning elections", I think you accomplish the opposite by offending a substantial wing of the party. Nixon is President, Rockefeller is Governor, Buckley is Senator. All of these have been elected due to substantial defection of the average-American conservative wing of the Democratic Party, which doesn't buy the "knock America" attitude of so many of the ultra-liberalists who seem to dominate the "unity" group you have selected.

Rather than unifying, the breach is being widened by the neglect of those Democrats on whose restoration of confidence in the Party and the winning of future elections might depend.

I know how you feel about Comptroller Beame and I appreciate it and I also know how you feel about Mr. Hoover. You also must remember how many times I have gone out of my way, frequently at your request, to do stories for Mr. Hoover in my New York Daily Law Journal, the Civil Service Leader and the New York Daily Column when I was more active in it.

You indicate that we're honoring Congressman Rooney's defeated insurgent opponent, but not the Congressman. I don't see his name anywhere on our list, nor do I know him. John Rooney is a very close friend of mine and he too is apparently annoyed about Ramsey Clark being our toastmaster, and I presume that is the reason he didn't join our group, although he was asked.

Obviously, when you're trying to pull a group together in New York City there are many matters to consider. My job, as chairman of the New York City Democratic Committee, is to try to get unity into the party and by bringing these various groups into one room, we hope to start winning elections one day, instead of losing all of them. I'm sure you can understand this.

On many occasions I have sent our friend, Walter, things on Mr. Hoover, which I'm sure he received, and he knows my feelings. Let's get together soon.

Warm regards.

Sincerely,

Jerry Finkelstein

Dear Mr. Hoover:

As you are one of those mentioned in Roy Cohn's book  
"A Fool For A Client", it has occurred to me that you are likely  
to read it. Since I care what you think about me, I am asking you  
to do me the favor of reading this letter.

Al Cohn was a friend of mine and I have never had the  
 slightest reason for animus toward his son, whom I scarcely know  
 other than by reputation.

Having determined that I belong on his list of tormentors  
Mr. Cohn dredges up the incident 32 years ago when I was removed  
from the Rapp-Coudert Committee hearing room on the first day of  
the Committee's hearings into the activities of the New York  
Teachers Union.

Although I have always represented my clients vigorously  
starting with the days of the LaGuardia Administration when I  
represented the City in the IRT receivership proceedings before  
Judges Mack and Patterson, I have never behaved disrespectfully

toward any tribunal. The best answer to Mr. Cohn's comment is the transcript of the proceedings on the day to which he refers. What took place on that occasion was recorded as follows:

Mr. Mulligan: "I seem to have anticipated your Honorable Committee's ruling that the request must be in writing, and I have a request in writing which is accompanied by a brief. This is an application . . ."

Senator Coudert (interrupting): "No arguments will be heard, Mr. Mulligan."

Mr. Mulligan: "My application, to which I address myself on a point of order, is an application for the right to cross-examine witnesses . . ."

Senator Coudert: "Mr. Mulligan, just a moment . . ."

Mr. Mulligan: ". . . and to elicit the facts for the Legislature of the State establishing that such witnesses as may falsify, are not telling the truth . . ."

Senator Coudert: "Mr. Mulligan . . ."

Mr. Mulligan: ". . . and otherwise, generally bring out both sides of the controversy which has now reached . . ."

Senator Coudert called for "the officer in charge." He said: "Please remove Mr. Mulligan from the court room."

Mr. Mulligan: "This is an application to cross-examine witnesses. I want to make that application."

Senator Coudert: "Remove him from the room."

It is not true that I engaged in "a raucous diatribe against the committee", any more than it is true that I appeared as representative of "the left wing of the teachers' union".

I represented the College Teachers Union and the New York City Teachers Union, having been called in specially for the purpose by their general counsel, Herman E. Cooper, Esq., a labor lawyer well known for his anti-communist views.

Some years after the event, the Rockefeller Foundation made a grant for the study of governmental programs designed to control disloyal or subversive conduct, among the results of which grant was a book on the activities of the New York State Legislature between 1919 and 1949, called "Loyalty And Legislative Action" (Cornell University Press: Ithaca, 1951) by Lawrence H. Chamberlain, Dean of Columbia College. Among the subjects Dean Chamberlain studied was the Rapp-Coudert investigation, and in the course of reporting on this study he wrote in part about the difficulties I had had in dealing with the Communist elements in the unions (at 133-134):

"The same kind of difficulty manifested itself in the relationship between the Communist members of the union and its legal counsel. Early in the inquiry, long before any individuals had been named as Communists, the Teachers Union engaged Mr. William Mulligan, Jr., as counsel. Mr. Mulligan, a Republican, had been a member of the legal staff of Samuel Seabury during the New York State Legislative investigation of New York City government in the early thirties. He was known to be an expert in the law of legislative investigations. No less important was his reputation for being friendly to labor.

"Throughout the inquiry Mr. Mulligan gave unstintingly of his time and energy to represent his clients, the members of the union. Yet throughout his entire service he never received full co-operation from those he was attempting to represent. As a regular procedure he was excluded from the daily strategy sessions held by the union members involved. Only part of the information

necessary in their defense was made available to him, and his advice was always caucused upon before individual members acted. Although he tried to insist that no written statement should go out from the union until he had had an opportunity to check it for legal soundness, he frequently found that his request was being evaded."

Mr. Cohn makes a further error in stating that at the time of my eviction from the hearing room the newspaper photograph referred to me as "Red" Mulligan. No such reference ever came to my attention. When I had hair of a definable color it was not red, any more than were my leanings when I had them.

Mr. Cohn then makes the false statement that I came to be known "in another connection when he was active in lawyers' activities through the organization of his choice--the National Lawyers Guild, which is listed by the Attorney General as a subversive organization." I was never known for any such activities since I never belonged to the National Lawyers Guild or any other organization listed as subversive.

[redacted] It is true [redacted]

it is not true that I was privy to [redacted] conversations with

which he later repeated to a federal grand jury and to the petit

[redacted] and they were very angry about this.

However, just before [redacted]

b6  
b7C  
b7D

b6  
b7C  
b7D

Much later, when the Cohn-Gottesman case came to trial, I learned for the first time a large number of other revelations which [redacted] had made to the government before Cohn and Gottesman were indicted on September 4, 1963.

My reason for mentioning my not learning these details until the actual Cohn-Gottesman trial is that in Chapter IX of his book Mr. Cohn deals with an article which appeared in Life Magazine before the trial. He says that the article "had as its godfathers Roberts Kennedy and Morgenthau and William Mulligan,

[redacted] \*\*\*".

The facts about this are that on [redacted] [redacted] telephoned me to say that Harold R. Medina, Jr. had suggested that [redacted] get in touch with me about [redacted] dealing with the United Dye case and its ramifications, adding that Mr. Medina assured him that

b6  
b7C

I could be helpful in orienting [redacted] about the case and making sure that he did not write anything libelous. Before his appointment to the Bench Judge Harold Medina and I had been litigating adversaries and had become friendly. I had gotten to know Harold Medina, Jr. through committee work at the Association of the Bar. Upon ascertaining that he wanted my help because he did not know the background of the United Dye case but was aware that it was highly complex, I agreed to do what I properly could.

b6  
b7C

Before [redacted] telephoned me I knew nothing about the proposal for a magazine article. I never met or spoke to the late Robert F. Kennedy.

b6  
b7C

When [redacted] called me on [redacted] he wanted to see me, but I told him that I was going to Amagansett, Long Island, to visit my married daughter for the weekend and would leave Sunday night from my home in Ardsley-on-Hudson for Texas on a professional engagement. [redacted] begged me to see him briefly at Ardsley-on-Hudson Sunday afternoon, stating that he [redacted] and wanted simply to borrow the minutes of the United Dye trial and have a few words of conversation with me. He said that after that, he would like to interview my clients. I informed him that that was definitely out, but that I would take such of the minutes of the [redacted] trial as I had and were in my possession to my home and would have them there for him if he stopped by on Sunday afternoon.

b6  
b7C

On Sunday afternoon, September 8, 1963, [redacted]

b6  
b7C  
b7D

called at my home, accompanied by [redacted]

[redacted] I lent them copies of the four indictments involving my clients and such minutes as I had. They asked me what [redacted]

[redacted] defense had been, and I summarized what I had said to the jury in my opening. I advised them to read the opening address and the summation of [redacted] the Assistant U.S.

Attorney, and the charge to the jury of Hon. William B. Herlands.

[redacted] said that they were under great pressure to meet a deadline with their article and begged me to extend the conversation a little bit by allowing them to drive me to the airport. They pleaded so hard that I consented and [redacted] drove his car from my residence to Idlewild, I on the front seat with him and [redacted] in the back seat with my luggage. On the way [redacted] told me that he was [redacted]

[redacted] had broken a big crime story in Seattle or Portland and had worked with Wallace Turner of the Times on organized crime investigations. [redacted] said that he needed more information on the general background of the United

Dye indictments. [redacted] asked me a number of questions which showed how green they were and that they had not read the available literature. I told them some of the relationships, such as

[redacted] had gotten control of the Hal Roach Studios, highlights of [redacted] career, and other matters of general information. They delivered me to the airport and I left for Texas where I remained until September 12.

b6  
b7C  
b7D

b6  
b7C

In my early discussions with [redacted] there had been no mention of Mr. Cohn's name.

b6  
b7C

An indictment had been handed down in the Southern District of New York against Messrs. Cohn and Gottesman on September 4, 1963. Copies of this indictment, which was replete with information later to appear in [redacted] had of course been available to the press at about the time of [redacted] first call to me. I could therefore visualize a connection between the Cohn-Gottesman indictment and the impetus behind the [redacted] call, but I did not visualize that the article would be about Cohn, or the use that would be made of it by Mr. Cohn's defense counsel after it was published.

b6  
b7C

With reference to corrections of the script in my handwriting before [redacted] was put in its final form, I can recall that Messrs. [redacted] read to me over the telephone certain passages which I thought were factually erroneous, as in the case when they implicated [redacted] with Murray E. Gottesman, already mentioned. Also, the writers had a persistent tendency to misspell the first name of [redacted] which I remember correcting when I was shown a draft. I also recall a sentence or paragraph in the draft shown to me which seemed incorrect and which I did not feel able to straighten out by proofreading, so I tried rewriting it. I believe that [redacted] and [redacted] each physically showed me separate drafts, but neither was the complete version as published; I recall being surprised

b6  
b7C  
b7D

and somewhat shocked when I opened the magazine and saw the two-page spread at the beginning of the article with the text and cartoons depicting my clients and the other persons in demeaning positions, and the [redacted]

b6  
b7C

I had not previously seen any of this material or the text which immediately accompanied it and which gave the article its emphatic tone.

At the time of the Life incident and indeed today, I had and have no opinion as to the guilt or innocence of either Cohn or Gottesman. I had never heard of Gottesman, and when [redacted]

b7D

[redacted] I thought the reference was to Callman Gottesman, the only Gottesman I had heard of at the New York Bar. The conviction or acquittal of either Cohn or Gottesman did not concern me; my concerns rather were that my clients cooperate fully by revealing truthfully whatever they knew and that, through publicity or otherwise, they not adversely affect their coming sentences.

As already stated I have personal knowledge that the report of money being passed to [redacted] and Cohn--whether it was true or false--was not something which [redacted] "finally came up with" as a result of conferences between Mr. Morgenthau or his assistants and me, because it was given to me before these clients pleaded.

The facts about Messrs. [redacted]

b6  
b7C  
b7D

[redacted] getting in touch with me and the limited extent of my relationships with them, might not have been known to Mr. Cohn and so it may be excusable if in his rancor he finds distorted explanations for what happened to him.

b6  
b7C

What is not excusable is his deliberately falsifying facts of record in the court files of the Southern District of New York. This he does when he quotes the [redacted] affidavit at pages 144 to 146 in that:

b6  
b7C

1. Mr. Cohn states [redacted] notes "became an affidavit in support of a new motion" (144). The facts are that on June 16, 1964 [redacted] caused a subpoena to be served upon me requiring that I produce at the Cohn trial all records and documents delivered to [redacted] relating to Cohn or Gottesman or United Dye and the government witnesses; upon receipt of the subpoena I obtained an order to show cause returnable before Judge Bonsal on June 17 requiring Cohn to show why the subpoena should not be vacated since "deponent does not possess any such records as the subpoena purports to describe". My relationships with [redacted]

[redacted] detailed above in this letter, were then summarized.

On the return of the order to show cause, after hearing argument by Mr. Raichle and me, Judge Bonsal said (SM 1693):

"I am going to quash this subpoena, but that is without prejudice to your obtaining another subpoena which will have attached to it a statement of such facts as you wish to offer as to why you think these documents should be furnished by Mr. Mulligan, and at that time he will be free to make another application, but on this one here, on the basis of the statements made by Mr. Mulligan, I will quash the subpoena."

After Judge Bonsal had made his ruling [redacted] pro-  
duced the affidavit which Mr. Cohn quotes starting on page 144 of  
his book and Judge Bonsal declined to accept it at that time but  
invited [redacted] to serve a new subpoena duces tecum setting forth  
the proof [redacted] represented he had to show that (contrary to  
my affidavit) I had in truth made available to [redacted]  
documents which were not of public record. No such further sub-  
poena was ever served. The reason is obvious. I had not made any  
such documents available to [redacted]

b6  
b7C

2. Not only is Mr. Cohn's statement that the [redacted]  
affidavit was "in support of a new motion" untrue. He also knows  
perfectly well that the [redacted] affidavit was marked in the courtroom  
with a legend reading:

"NOT PART OF COURT RECORD  
--AFFIDAVIT ARRIVED IN  
COURT TOO LATE FOR SUB-  
MISSION ON APPLICATION  
TO QUASH SUBPOENA."  
(Underscoring in original)

3. Mr. Cohn also knows that the [redacted] affidavit  
did not attach any off-record document delivered to [redacted]  
None was.

b6  
b7C

| It would appear that while Mr. Cohn might not have a  
fool for a client he does have a knave for an author.

This is further demonstrated in his attack on Judge  
Herlands in Chapter V entitled "The Hanging Judge".

Mr. Cohn states that his friend [redacted] was promised a  
suspended sentence by the prosecution. He then says (62):

"His lawyer, [redacted] being very wise in the ways of men and judges, exacted one other commitment from the prosecution--that he be given a veto power over the judge before whom his client was to be sentenced."

b6  
b7C

Not only did the District Court and the U.S. Court of Appeals reject the contention that [redacted] had been promised a suspended sentence; they also rejected as incredible [redacted] testimony on the promise that he would have a veto power over the sentencing Judge. Jerome J. Londin, Esq., who had been the prosecutor in question, specifically contradicted each and every statement by [redacted] that any such arrangement had ever been discussed between them. Judge Herlands said:

"The Court rejects as incredible [redacted] testimony (Record of May 24, 1963, pp. 582, 742-743) that [redacted] told him over the phone on or about February 20, 1963, that the privilege of by-passing or selecting a sentencing judge 'was such a simple routine matter that was a courtesy that it is always extended to defendants who plead' and that 'it was the policy of the United States Attorney's Office to permit this, to permit a by-pass of an unfavorable judge.'

b6  
b7C

"The incredibility of [redacted] story is again exposed by its own implausibility. This is pointed up, illustratively, by the correlation of certain salient facts embodied in [redacted] testimony as follows:

"Soon after [redacted] resigned from the U.S. Attorney's Office in June, 1961, [redacted] took over the case and met with [redacted] and the defendant on or about June 22, 1961. According to [redacted] testimony, at the first meeting of [redacted] discussed 'the ground rules'. (Record of May 23, 1963, p. 537). In so testifying, [redacted] did not refer to the alleged by-passing assurance, agreement or representation.

"When specifically questioned by the Court [redacted] added (Record of May 23, 1963, pp. 560-563) that in this meeting with [redacted] they discussed the details of the 'arrangement with [redacted]' in accordance with which Mr.

[redacted] had entered a plea.' But they did not discuss 'the question of the sentencing judge until February, 1963.' [redacted] further testified that the matter of Room 318, adjournments of sentence, or the sentencing judge was never mentioned by [redacted] or any Assistant U.S. Attorney in the presence of the defendant. (Record of May 23, 1963, p. 563).

b6  
b7C

[redacted] are in agreement on the highly significant point that, although they discussed 'the ground rules', neither [redacted] mentioned the by-passing agreement allegedly entered into by [redacted] [redacted] predecessor in the case.

"The very first mention by [redacted] of an alleged by-passing agreement occurred sometime between February 12th, 1963, and February 20, 1963. According to [redacted] he telephoned [redacted] and told him that he [redacted] would like the defendant to be sentenced 'and at that time I [redacted] told [redacted] that I had this agreement from the government that I would have the right to by-pass an unfavorable judge.' (Record of May 23, 1963, p. 576). According to [redacted] said nothing in response. (Record of May 23, 1963, pp. 577-578).

b6  
b7C

"If there had been a by-passing arrangement agreed on between [redacted] it would have been mentioned in June, 1961, when [redacted] as the Assistant U.S. Attorney newly assigned to the case, had his first meeting with [redacted] and they discussed 'the ground rules.'" See U.S. v. Hughes, 223 F.Supp. 477, aff'd 325 F.2d 789 (1964), cert. den. 377 U.S. 907 (1964).

Dear Neil:-

In view of your present circumstances, I tried to make my brief reply to the press as mild as possible, but I want to keep the record straight between us.

Let me make it clear that Mr. De Loach said none of the things you attributed to him, that I never relayed any of those things to you as coming from him or anyone else. Not Mr. Hoover (who I never in my life even heard mention your name), Mr. De Loach, nor anyone else acting on behalf of the FBI, ever asked me to convey any threat to you.

To make accusations such as you did based upon double and triple hearsay is not worthy of you, and surely these tactics have not been helpful to you.

At this point, I have very little personal sensitivity about being used as a whipping-boy, even by friends. But I thought your diatribe against the Bureau was very unfair. I worked with them when I was with the Department of Justice in the Truman administration, and I have been their adversary in criminal cases I have defended in recent years. Their record for total integrity, and for protection of individual rights defeats the entire premise of your statement.

Dear Judge Webster:

Since 1950 - the year I prosecuted the Rosenberg atom-spy trial at age 23 with the magnificent investigative help of the Bureau, up to the present, 34 years later, I have had a first-rate relationship with and respect for the Bureau.

This included a close friendship with Mr. Hoover, speeches at Bureau gatherings, delivering the eulogy at Lou Nichols' funeral along with Deke DeLoach, representing Wally LaPrade when he was unfairly attacked, testifying for Mark Felt and Ed Miller at their trial in Washington, urging their immediate pardon and honoring them the day after our great President took that action - and above all, teaching my classes at law school and writing publicly time and again that the Bureau was and is the finest investigative agency in the world.

Why, then, would the Bureau permit any of its representatives to hurt my friends and clients (and me) by planting a story that our law offices were being surveilled to see if any information could be developed to support a wire-tap on my office telephone?

SUBJECT: BARRY FARBER RADIO SHOW.  
NEW YORK STATION WOR-AM  
JANUARY 14, 1975

ALL INFORMATION CONTAINED  
HEREIN IS UNCLASSIFIED

*Radio Show idea*

By letter dated January 16, 1975, Assistant Director Malone of the New York Office has forwarded two reels of tape on which are recorded the Barry Farber Radio Show of January 14 featuring attorney Roy Cohn and writer Walter Schneir as guests of Mr. Farber. In his letter of January 16, ADIC Malone suggests that, after listening to the tapes, "the Bureau...may want to send a letter" to both Roy Cohn and Barry Farber.

ACTION:

A review of more than one and one-half hours of the tape recording of this program discloses that it features an often-hostile, sometimes-shouting, and repetitive discussion between Roy Cohn and Walter Schneir centering largely upon the Rosenberg espionage case and the Freedom of Information Act.

Schneir, who is the author of the book "Invitation to an Inquest" which asserts that the Rosenbergs were "framed," used the program as a forum for attacking the FBI, Cohn, Federal Judge Irving R. Kaufman, and others who had a role in the conviction of the Rosenbergs. He insisted that in compliance with the Freedom of Information Act, the FBI files in the Rosenberg case, as well as those regarding other espionage subjects, should be made available to persons outside the FBI.

Roy Cohn was one of the Government attorneys who assisted in the prosecution of the Rosenbergs. He has previously challenged Schneir's assertions that the Rosenbergs were victims of a "political frame-up"; and his appearance with Schneir on the Barry Farber Radio Show constitutes merely the latest heated confrontation in a campaign of animosity between these two men that has been going on for years.

Mr. Heim to [redacted] Memorandum  
RE: "BARRY FARBER RADIO SHOW, NEW YORK STATION WOR-AM, 1/14/75"

b6  
b7C

Roy Cohn arrived at the radio station after the Barry Farber Radio Show had begun, and it was necessary for him to leave for the airport before the program had ended. He did, however, scathingly berate Schneir and express deep respect for the FBI. Cohn indicated that his experience both as Government attorney and as Federal defendant who has been the subject of FBI investigation has convinced him that the FBI has a better record of integrity and freedom from scandal than any other agency.

As host of the program, Barry Farber often found himself in a position similar a referee trying to separate two fighters. Despite his effort to maintain a middle or neutral position, he left no doubt concerning his disagreement with Schneir.

OBSERVATIONS:

For a number of years, Roy Cohn has been a controversial figure. In 1969, for example, he was indicted by the Federal Grand Jury in New York (and subsequently acquitted) on charges of bribery, conspiracy, and extortion in connection with an alleged conspiracy involving the city's Fifth Avenue Coach Lines -- and prior to the trial of this case, he publicly charged U.S. Attorney Robert Morgenthau with conducting a "personal vendetta" against him. An article regarding Cohn in the September 5, 1969, issue of "Life" magazine makes reference to this case and states, in part:

"He (Cohn) took over Lionel Corporation, lost it, gained control of Fifth Avenue Coach Company in New York and became involved with a succession of financial sponsors in a dizzying variety of other business ventures. In the process he left behind a trail of stunned, embittered and in some cases financially flattened ex-friends. In the past year substantial sections of his financial structure have begun to buckle faster than they can be re-riveted. Lawsuits have piled up, and more than \$1 million in judgments have followed."

In connection with the 1969 case, three Agents of the New York Office who gave sworn statements to U.S. Attorney Morgenthau were subsequently ordered transferred to other FBI offices -- which fact became the focal point of wide publicity implying that Cohn, through former Assistant to the Director L. B. Nichols (a long-time friend of Cohn), was able to bring about the transfers.

Mr. Heim to [redacted] Memorandum  
RE: "BARRY FARBER RADIO SHOW, NEW YORK STATION WOR-AM, 1/14/75"

b6  
b7C

Roy Cohn's name is involved in two presently pending cases. One is a Crime on the High Seas investigation involving possible destruction for insurance in 1973 of a vessel (Defiance) off the Florida coast. Investigation has indicated that a firm controlled by Cohn had leased this vessel; that previously another vessel owned by Cohn had been lost -- with the result that Cohn was paid \$100 thousand insurance; and that Cohn is regarded as a bad risk for Marine insurance. The second case is an ITAR - Extortion investigation involving alleged threats against the operator of a theater in New Jersey which features pornographic films. Roy Cohn, who is listed as a subject in this case, reportedly served as attorney for the purchase of this theater in the Spring of 1974 and reportedly had \$5,000 interest in it. (166-469-3 & 45-11251)

Although Barry Farber clearly did not "side with" Schneir during his January 14th radio program, he did provide Schneir a forum to voice anti-FBI propaganda and to reiterate criticisms made by such persons as Judge Fred Nichol in the Wounded Knee Case, former Assistant to the Director W. C. Sullivan, and former Special Agent [redacted]

RECOMMENDATIONS:

(1) In view of the above, it is not felt that a letter over Mr. Kelley's signature should be directed to either Roy Cohn or Barry Farber.

*AK*

(2) That this memorandum, together with the two reels of tape recording the January 14th Barry Farber Radio Show, be forwarded to the Intelligence Division for its information.

[REDACTED] attempts to make a point that on the evening of the date [REDACTED] suggested the event took place [REDACTED] in full view of hundreds of people. There appears to be little significance to this point since Bayonne police records indicated only that O'Brien was missing since October 14, 1962, and Konigsberg was not able to pin down the date when he said he was called to [REDACTED] to remove the body.

While [REDACTED] states that Konigsberg was quoted in a "New York Times" article of August 18, 1968, that the whole story was a lie, it should be noted that during excavation in March, 1967, on a farm near Lakewood, New Jersey, described by Konigsberg as a mob burial ground, orthopedic shoes were discovered which were later identified by O'Brien's podiatrist as those he had prescribed for O'Brien. This location was where Konigsberg had previously told our Agents he had disposed of O'Brien's body.

[redacted] then branches into disjointed claims regarding the FBI's widespread use of electronic surveillance, even claiming that we gathered evidence against former Speaker of the House McCormack's assistant (Martin Sweig) by electronic coverage in McCormack's office. This, of course, is completely false.

In view of [redacted] recent Federal indictment for income tax evasion and perjury, it is obvious that he is making a desperate attempt to claim that the indictment in some way resulted from a Government conspiracy to discredit him, thereby diverting attention from the specific charges contained in the indictment.

Dear Mr. Cohn:

Assistant Director in Charge Lee Laster has advised me of your telephone call on March 5th and I received your recent letter concerning the matter which you and Mr. Laster discussed. I have seen a copy of the New York Post article, "FBI staked out Cohn's office in mob probe," which attributes its facts to unnamed "sources" and can understand your concern.

I encourage an open line of communication with the media, but it is not our policy to discuss ongoing investigations with the press, nor would we "plant" a story. In view of your concern, however, appropriate checks were made with our New York Office personnel to determine whether the information in the article could have emanated there. I have been assured that no discussion of the information in the article was had with any member of the media by either the Public Information Office or any of the executive staff of the New York Office. If you have any information to indicate otherwise, I hope you will let me know.

Sincerely yours,

NOTE: Mr. COHN has written to ask why the Bureau "would permit any of its representatives to hurt my friends and clients (and me) by planting a story that our law offices were being surveilled to see if any information could be developed to support a wire-tap on my office telephone?" COHN is referring to an article which appeared in the New York Post on 3-5-85 entitled "FBI staked out COHN's office in mob probe." By airtel 3-6-85, ADIC, New York advised COHN called his office on 3-5-85 to discuss this article and advised he wanted to make an official complaint by either writing to DOJ, FBIHQ, the New York Office or by filing an FOIA request. ADIC advised him he had no objection to any of the above actions by COHN. The article in question indicates that sources told the Post that investigators wanted court authorization for a bug to be placed on COHN's office but were unable to gather any evidence that "Commission" members were using the office to meet. By teletype dated 4-17-85, New York Office advised neither the Media Representative nor any other individual who would have official contact with the media is responsible for the story in the New York Post attributed to unnamed "sources."
